PROFESSIONAL SUMMARY

Enthusiastic Full Stack Developer with knowledge of Java, Spring Boot, and Flutter. Interested in building web and mobile applications and developing reliable software solutions. Quick learner with strong problem-solving skills and eager to grow in a professional environment.

TECHNICAL SKILLS

- **Frontend:** JavaScript, React.js, HTML, CSS
- **Backend:** Spring Boot, RESTful APIs
- **Mobile:** Flutter, Dart
- **Database:** MongoDB, MySQL
- **Tools:** Git, GitHub, VS Code, Antigravity

PROFESSIONAL EXPERIENCE

Software Developer Intern | Foxfennecs Technologies LLP, Calicut, Kerala

Worked as a Software Developer Intern, gaining hands-on experience in Java, Spring Boot, Flutter, and Dart. Contributed to application development, REST API integration, MySQL database management, debugging, and feature implementation while using Git and GitLab for version control and collaborative development.

INTERNSHIPS

Techmaghi, Kochi, Kerala: Completed a comprehensive MERN Full Stack Development course, gaining practical experience in building robust web applications using MongoDB, Express.js, React, and Node.js. The program emphasized hands-on projects, which strengthened my knowledge of front-end and back-end development, API integration, and responsive design principles. I also collaborated effectively with a team of developers, contributing to all aspects of project development and enhancing my problem-solving and teamwork skills.

EDUCATION

Bachelor of Technology (B.Tech) in Electronics and Communication Engineering

M-Dasan Institute of Technology, Ulliyeri, Kozhikode, Kerala
Graduation: 2024

PROJECTS

PERFUME E-COMMERCE WEB APPLICATION

Developed a full-stack perfume e-commerce platform using MongoDB, Express.js, React.js, and Node.js, featuring secure user authentication, product catalog, shopping cart, and order management. Focused on delivering a responsive, optimized user experience, and deployed the application on AWS.

SIMPLE CALCULATOR WEB APP

Developed a responsive calculator using HTML, CSS, and JavaScript with features including basic arithmetic operations, a clear display, delete functionality, and error handling for invalid inputs. Focused on creating a clean user interface and ensuring smooth performance across devices.

LANGUAGE

English, Malayalam, Tamil
