PROFESSIONAL SUMMARY

Software developer with hands-on experience building web and mobile applications using Flutter, Angular, Spring Boot. Familiar with REST API integration and database management, and currently contributing to application development at Foxfennecs Technologies LLP. Seeking opportunities in Flutter, Angular, or full-stack development.

PROFESSIONAL EXPERIENCE

Foxfennecs Technologies LLP, Calicut, Kerala Current

- Contributed to web and mobile application development using Flutter, Angular, and Spring Boot.
- Set up development environments for Flutter, Angular, and Spring Boot using Antigravity.
- Worked with REST APIs and supported frontend and backend integration.
- Debugged, tested, and integrated application components.
- Used Git and GitHub for version control and team collaboration.
- Collaborated with team members to understand requirements and implement features.

INTERNSHIPS

MERN Full Stack Development 06/2024 – 02/2025

- Completed a comprehensive training program at Techmaghi, Kochi, Kerala, focused on building web applications using MongoDB, Express.js, React, and Node.js.
- Gained hands-on experience in front-end and back-end development, API integration, and responsive design through practical projects.
- Collaborated with other developers throughout project development.
- Strengthened problem-solving, teamwork, and full-stack development skills.

EDUCATION

Bachelor of Technology in Electronics and Communication 11/2021 – 05/2024

APJ Abdul Kalam Technological University

Kozhikode
